## PAINT CODES

Paint Manufacturer \_\_\_\_\_

Base _____	Code _____
Color _____	Code _____
Color _____	Code _____
Color _____	Code _____
Color _____	Code _____
Color _____	Code _____

Purchaser Name: \_\_\_\_\_

\*\* Paint codes are used by the factory to get as close as possible to the exact color you are wanting. If the factory's paint manufacturer is different than yours, they will be able to cross-reference your code with their's. Please know that the factory will do the best they can to match your lines exactly. Be as precise as possible!
